Dear [Redacted]

Thank you for participating in Orange County School of the Arts 2019-2020 Admission Session. Final audition results have been submitted for your application to:

Acting Conservatory

This year, we have had a record number of applications and have been amazed at the superb quality of young talent, making acceptance very competitive. The decision has been a difficult one and, regrettably, we are unable to offer you enrollment or a waitlist placement.

Understandably, feedback is helpful; however, due to the high volume of applicants it is not possible for the Admissions Department or Conservatory Directors to provide personal feedback. Thank you for your understanding.

We strongly encourage you to pursue your training and hope that you will consider applying again in the future.

Sincerely,

Janet M. Infesto
Admissions Coordinator
Orange County School of the Arts
